Notice.

Notice is hereby given that sealed tenders will be received by the undersigned up to the 29th October 1920, 12 noon, for the supply of the undermentioned articles required for the use of the Channels Division.

2. An approximate estimate of the quantities is given against each item in the list which quantities are not guaranteed. The quantities may be increased or diminished.

3. Tenders should be submitted on their own forms accompanied by a list in the form given below, showing the rates at which different items specified in the list will be supplied. Only the best quality of materials has to be used.

4. Each tender must be accompanied by a deposit of rupees 100 either in currency notes or Government Promissory Notes, as earnest money, and be superscribed as tender for the supply of furniture articles, required for the use of Channels Division, in default of which, tenders will be rejected.

5. The final acceptance of tender will rest with the Superintending Engineer, Krishnarajasagara Circle, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Superintending Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

6. After tenders are opened, no change of rates under any circumstances will be allowed. They will be opened in public at 4 P.M. on the 29th October 1920.

7. Within four days of the acceptance of the tender, the successful competitor will be required to execute a contract bond, in default of which, his tender will be considered cancelled, and the earnest money will be forfeited.

8. The name or names of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of any of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tenderer will be returned when the whole supply is completed satisfactorily.

10. All the materials ordered to be delivered within a month after the receipt of the order.

11. The rate tendered for each item shall include cost of packing, carriage and delivery of articles at Executive Engineer's Office, French Rocks.
